# SHRM Maine State Council

---

The Maine State Council is affiliated with the Society for Human Resource Management (SHRM) and its network of over 250,000 members worldwide.

As an influential voice, SHRM is committed to advancing the human resource profession to ensure that HR is an essential and effective partner in developing and executing organizational strategy.

The SHRM Maine State Council consists of 25 Board members. We provide support and leadership for seven local SHRM Affiliated Chapters and the Diversity Hiring Coalition.

Our statewide 850 members and 350 additional Human Resource Professional members affiliated with our chapters - lead and represent the HR profession for nearly 90,000 Maine based employees.

Some of our many accomplishments have been the establishment of HR Professionals Day at the State House, the implementation and the continued support of the "Best Places to Work in Maine" program

(<http://bestplacestoworkinme.com>), as well as a partnership with Law Publishers to create the very best Annual State HR Conference in the entire Northeast.

Our new scholarship program offers a chance for an HR Professional to be awarded a \$500 scholarship that they could use to assist them with obtaining their degree, towards certification or to provide financial assistance to attend a continuing education seminar or conference.

For more information about the SHRM Maine State Council and the local SHRM affiliated chapters please visit our website at <http://meshrm.shrm.org>.

We offer up-to-date legislative information, information about local HR events and an online calendar that lists the local affiliate chapter's meetings. You can use our links to the chapter websites to get details about meetings and membership.

The Maine State Council promotes both SHRM membership as well as chapter membership as valuable resources for anyone practicing HR.
